<b>Individualized Course of Study</b>	<b>28</b>
An Individualized Course of Study should consist of 28 units, with at least 16 units at the 300-400 level. Courses are selected by the student in consultation with an advising faculty member. The student must also provide a written justification for the courses and the way they constitute a cohesive, integrated course of study. The list of courses is a contract between the student and the Department.
